

## Fee Schedule Microscopy Platform

Service	Academic Internal	Academic External	Company or Private Organization
Using the widefield microscope	\$ 35 / h <sup>1</sup>	\$ 40 / h	-
Using the confocal microscope	\$ 35 / h	\$ 40 / h	-
Assistance fees	\$ 60 / h	\$ 65 / h	\$ 120 / h <sup>2</sup>
Training fees <sup>3</sup>	\$ 140	\$ 140	-

\* Billing by the minute, fees subject to change without notice.

1. It costs \$100 for the first day to do a long-range real-time acquisition, and \$25 for additional days.
2. An administration's tariff may be added for certain projects.
3. Training is mandatory when each microscope is first used. Upgrades are included in the cost.

Reservations are made via the CRIUCPQ intranet.

In order to make a service request or a reservation without going through the intranet or for any further information, please contact:
